MEMORANDUM

TO: Chief, [REDACTED]
Chief, [REDACTED]

FROM: Chief, Field Division

SUBJECT: Establishment of a Shortwave Transmitter in Belgrade

This office has received an unconfirmed report that a new strong shortwave transmitter is to be established in Belgrade in connection with the activities of the newly formed Communist Information Bureau. It is not known whether this station is one of the two already announced as to be constructed in Belgrade or a third one.

Please be on the lookout for further information on this subject with a view to eventual coverage of the new transmitter.
